VISN 17 Center of Excellence presents:
*Strengthening Collaboration Between Chaplains and
Mental Health Providers to Enhance Care for Veterans and
Service Members*

April 11, 2018 9AM - 12PM CST

VISN 17 Center of Excellence
4800 Memorial Dr, Bldg. 93
Waco, TX 76711

PRESENTERS:

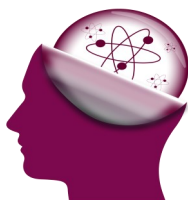

Peter D. Yeomans, Ph.D. Clinical Psychologist, Corporal Michael J. Crescenz VA Medical Center

Rev. Chris J. Antal, DMin Staff Chaplain, Corporal Michael J. Crescenz VA Medical Center

SUMMARY:

This workshop will discuss the need for collaboration between chaplains and mental health providers, examine barriers, and facilitate discussion to overcome those barriers and misperceptions. We will work to develop possibilities for future collaboration between these disciplines. An overview of a moral injury group for Veterans co-led by chaplains and psychologists will be used as an illustration of such collaboration.
